Getting to the Holiday Inn Munich City Centre

By S-Bahn from the airport (Subway)

The S1 and S8 depart from the airport every 10 minutes. The journey takes 35 minutes and costs €10 (10 stops/S8) to reach the Rosenheimer Platz. When you reach Rosenheimer Platz take the escalator going in the same direction as the train to the top, staying on the left, and follow the signs to the Hotel through a small passage (Motorama) with shops. The Hotel has its own entrance at the end of the passage. Should there be no S8 waiting at the airport you can also take the S1 which will take you to the Hotel (with 17 stops to the Rosenheimer Platz).

By Taxi – This will take 45 minutes (depending on traffic) and will cost approx. €50.

By car from the airport

Take the A92 to the Autobahn crossing, Eching, and follow the signs marked “München” on the A9. Take the A9 to the end of the Autobahn and turn, following the sign marked “Stadtmitte”, onto the Mittleren Ring Ost (Isarring). Take exit "Tucherpark" onto Ifflandstrasse, and follow this road for approx. 2 km. When the Isar appears again (at the end of Steinsdorferstrasse), turn left at the next opportunity and cross the Isar via the Ludwigsbrücke (bridge). The hotel is within sight. Get into the right lane in front of the “Kulturzentrum am Gasteig” (big red brick building) onto Rosenheimer Strasse and after approx. 50m turn right at the light onto Hochstrasse.

Car Park

There is an underground car park adjoining the Holiday Inn Munich–City Centre which can be used by attendees. The entrance is located on the right, next to the hotel’s main entrance and parking costs 17€ per 24 hours, or 2€ per hour.

Green Zone Badge - IMPORTANT

Munich has a green zone around the city centre and any vehicles that go into the green zone must have a green zone pass. The Holiday Inn Munich falls within this green zone; attendees are advised that if a Green Zone badge is not purchased before their vehicle arrives at the hotel, or in the green zone, a fine of 40€ will be issued. More information, and the opportunity to purchase the badge, can be found at <http://www.environmental-badge.co.uk/> IDTechEx do not accept any responsibility for the correct purchase and display of Green Zone Badges.

Internet Access

Wireless internet access will be available in the exhibition and conference area.

Registration and Help Desk

The registration desk is situated in Foyer Grosser Saal. Name badges, conference proceedings and gala dinner tickets should all be collected from here. The registration desk is open from 8.00am on Monday 20 June (Masterclass day) and will remain open until the conference closes.

Badges

Please wear your name badge at all times so that the organisers and fellow attendees can easily identify you. Attendees without a name badge will not be permitted entry. Please report to registration if you mislay your badge.

Presentations

All conference attendees will receive an email notification when presentations are available to be downloaded from the conference website www.IDTechEx.com/Munich. Please visit the website and click on the “download presentations” button on the left hand side menu. This is subject to speakers permission.

We hope to email you with this information by Friday 17 June.

Missing or amended presentations will be uploaded onto the website during the week after the event.

Conference, Masterclass and Exhibition Schedule – please note that timings and speakers are subject to change. Please refer to the agenda boards at the event and to chairman’s announcements.

Please check what sessions you have registered for on your order summary.
